The City may terminate all, or any part of, the Services, by giving notice of termination to the Contractor, which is effective upon delivery of the notice, if:

- (a) the Contractor breaches this Agreement and the Contractor has not cured the breach, within five days after notice of the breach is given to the Contractor by the City; or
- (b) the Contractor becomes bankrupt or insolvent, a receiving order is made against the Contractor, an assignment is made for the benefit of its creditors, an order is made or resolution passed for the winding up or dissolution of the Contractor, or the Contractor takes the benefit of any enactment relating to bankrupt or insolvent debtors.

Without limiting any other right or remedy available to the City, if the City terminates part or all of the Services under this section, the City may arrange, upon such terms and conditions and in such manner as the City considers appropriate, for performance of all or any part of the Services remaining to be completed, and the Contractor shall be liable to the City for any expenses reasonably and necessarily incurred by the City in engaging the services of another person to perform those Services (including the amount by which the fees, disbursements and other costs payable by the City exceed those that would have been payable to the Contractor for completion of the Services under this Agreement). The City may set off against, and withhold from amounts due to the Contractor, such amounts as the City estimates shall be required to cover the City's costs of correcting any breaches of the Contractor's obligations under this Agreement and to be incurred by the City to complete all or any part of the Services.

Records

The Contractor:

- (a) shall keep proper accounts and records of its performance of the Services, including invoices, receipts and vouchers, which shall at all reasonable times be open to audit and inspection by the City, which may make copies and take extracts from the accounts and records;
- (b) shall keep reasonably detailed records of performance of the Services, which shall at all reasonable times be open to inspection by the City, which may make copies and take extracts from the records;
- (c) shall afford facilities and access to accounts and records for audit and inspection by the City and shall furnish the City with such information as the City may from time to time require regarding those documents; and

- (d) shall preserve, and keep available for audit and inspection, all records described in this section for at least two years after completion of the Services, expiry of this Agreement or termination of this Agreement, whichever applies.

Copyright and Intellectual Property

The Contractor irrevocably grants to the City the unrestricted licence for the City to use and make copies of for the City's purposes and activities any work whatsoever generated by or on behalf of the Contractor in performing the Services in which copyright may exist. Without limiting the foregoing, the Contractor irrevocably grants to the City the unrestricted licence for the City to use for the City's purposes and activities all technical information and intellectual property, including inventions, conceived or developed, or first actually reduced to practice, in performing the Services. For clarity, the licences granted by this section shall survive the expiry or earlier termination of this Agreement.

Agreement for Services

This is an agreement for the performance of services and the Contractor is engaged under this Agreement as an independent contractor for the sole purpose of providing the Services. This Agreement does not create a joint venture or partnership. Neither the Contractor nor any of its employees or contractors is engaged by the City as an agent of the City or has any authority to bind the City in any way whatsoever.

Withholding Taxes

The Contractor will pay and remit, and otherwise be responsible for, all withholding taxes, income taxes, Canada Pension Plan contributions, employment insurance deductions and any other deductions required by the applicable provincial or federal statutes for the Contractor and any of its employees. The Contractor agrees to indemnify and hold harmless the City should the City be required to pay any remittances described above.
