

PROPOSED RESOLUTIONS FOR GRAND FORKS COUNCIL'S CONSIDERATION & ADOPTION;

Presented at the May 9, 2022 Committee of the Whole Meeting

1. BE IT RESOLVED THAT .. City Council is open to evaluating and considering a Municipal Boundary adjustment where it can be demonstrated that such an adjustment would be of value to the City, and where the costs associated with such adjustment appropriately and fairly shared by the landowner / developer and the City.
2. BE IT FURTHER RESOLVED THAT .. Council authorizes City staff to share relevant infrastructure data and information, particularly that relating to the capacities and characteristics of the City's water and wastewater utilities, with landowners who may wish to consider connection to these utilities in the future.
3. BE IT FURTHER RESOLVED THAT .. Council authorizes City staff to work collaboratively with landowners, and their consultants, who are working on potential projects on lands outside the Municipal Boundaries that might have a significant impact on the City's infrastructure and services.
