

CITY OF GRAND FORKS COUNCIL HIGHLIGHTS JUNE 7, 2020

Settle down.

#1. FINANCE

Council approved the 2021 Statement of Financial Information (SOFI) which is required annually and illustrates the City's annual financial commitments and spending for a fiscal year. 2020 closed with approximately \$20.5 million in operational expenses, \$6.9 million of which were related to the Disaster Mitigation and Adaptation Fund and \$4.4 million towards capital projects.

#2. ZONING AND OCP

Council gave final reading to two OCP amendments and one Zoning Bylaw amendment which provide both new opportunities for housing additions to Grand Forks as well as legitimizing current parcels by changing the zoning to accommodate additional residential suites.

#3. AFTER HOURS CONTACT CENTRE

The City will be switching to a new after-hours call-out system for ALL after-hours emergencies and inquiries. Callers can now call City Hall at 250-442-8266 24/7 for all City services. When calling after hours, you will have the option to stay on the line and be transferred to a live attendant. Once transferred, the agent will take your information and forward it to the correct department. This ensures all calls to City Hall after hours are always directed to the correct staff member or department.

This new answering service will become active Friday, June 11, 2021
