Hi,

I had the opportunity to sit down with Benson to go over their budget. We are looking at \$1500 per wall for materials only. \$20,000 was to include money paid to the artists but I pointed out that it was presented as a volunteer project. They will be looking for \$6000 on the 8th. I recommended the group have the drawings ready for Council approval on the 18th and come as a delegation.

Cheers,

Thank you Gary,

.. my apologies Diane. Seems my world is a day behind when my internet goes down. Here is the budget breakdown for the new \$1500 per wall (\$6000 total)

Paint - Ext Latex - Pigments - Primer - \$400

Paint Equip. - Brushes, Sticks, Spray guns, etc.. - \$200

Clean up - Plastic, waste, etc... - \$50

Spray Equip. - \$250

Scaffolding - \$100

Protective Top Coat - \$500

that totals to: \$1500.

.. hope this is detailed enough. I'm still gathering information on the best brands but most of the prices are comparable. Thank you. Have a wonderful long weekend.
