QUESTION PERIOD FROM THE PUBLIC:

Mayor Krog stated that City Council is interested in hearing from the public on the issues it is dealing with or on any other issue that is of interest to the general public. To ensure that this process is open and does not feel uncomfortable to anyone, he advised that Council has set up some parameters to follow. He requested that prior to speaking about their issue that persons in the gallery would advise Council of the following:

1. Identify yourself, stating your name and place of residence and the issue you are bringing forward.
2. The subject of your participation should be limited to items of broad public interest, not personal to your property. This is not a forum for complaints. Any complaints will be dealt with by Staff and can be made by calling or attending City Hall or other City department during business hours.
3. Presentations: You must limit your questions and or comments to a maximum of five (5) minutes including questions from Council. This will permit time for all that are present to participate.
4. Council may not make any decisions at this meeting and if Council wishes, the item would be referred to Staff for follow-up and recommendation for Council to consider at a regular meeting of Council.

There were no comments or questions from the public.
